Wichita Falls Library to Host Summer Reading Program Kick-Off Party

Wichita Falls, Texas –The Wichita Falls Public Library is bringing back its Summer Reading Program in a big way for 2022 by hosting a summer kick-off party at the library on Saturday, June 4th from 1 to 3 p.m., 600 11th Street.

This year's theme is ***Oceans of Possibilities***. Celebrate reading with face painting, a scavenger hunt, food trucks, and more. Costumes are encouraged. Dress as pirates, mermaids, sailors, surfers, or any other ocean themed critters. The party is free and open to everyone in the community.

The Summer Reading Program offers exciting opportunities that help preschoolers, children, teens, and adults to keep reading and learning during the months of June and July. Participants in the reading program will fill out an entry ticket for every 30 minutes spent reading (or being read to). It is open to all ages and all kinds of reading counts. Staff will draw prizes each week for each age group. The more minutes you read the more chances you have to win.

The library will also offer a wide variety of programs and activities for all ages throughout each week. Information on specific library programs can be found by clicking the events tab at the library's website: wfpl.net.

Library cards are free to Wichita Falls city residents but are not required to participate in Summer Reading.

For more information, contact the library at 940-767-0868.
